

A woman with long blonde hair is leading a dark horse through shallow water at sunset. The sun is low on the horizon, creating a warm, golden glow. The woman is wearing a dark, long-sleeved dress and is holding the horse's lead rope. The horse is standing in the water, and its reflection is visible. The background shows waves breaking on a sandy beach.

HAWANA SALALAH

The source of all good things

An Extraordinary International Collaboration

Amazi is the most exclusive new addition to the internationally renowned Hawana Sala'ah resort.

This exceptional master-planned residential resort community was designed by award-winning London architecture practice SB Architects and brought to life by Muriya, a partnership between the internationally acclaimed builder of fully integrated towns, Orascom Development Holding (ODH), and Oman Tourism Development Company (OMRAN), the leading executive government arm for tourism development in the Sultanate.

MURIYA: THE DEVELOPER

With over a decade of solid presence, Muriya, Oman's largest and Most diversified private integrated real estate and tourism developer, is committed to contributing to the development of the Sultanate.

Orascom Development Holding (ODH) are 70% shareholders in Muriya and bring more than 30 years of experience in developing destinations and towns in the Middle East and Europe. Established in 1989 by Egyptian entrepreneur Samih Sawiris. Dual listing, SIX Swiss Exchange and on the EGX.

Local expertise and support come from 30% shareholders, Omran. Omran drives the investment, growth and development of the rapidly growing tourism and property sector in the Sultanate of Oman. It is the master developer behind major tourism, heritage and urban developments throughout the Sultanate. Omran was established in 2005 in line with the vision to strengthen and diversify the economy.

Having recently celebrated its 62nd anniversary, SB Architects, part of Egis Group, has established an international reputation for design solutions shaped by the subtleties of the site. The firm has extended its leadership in hospitality, residential and mixed-use in 30 countries and across four continents, with a collaborative culture and dynamic team of passionate individuals driving the firm's legacy and ongoing evolution.

Since its beginnings in custom residential in 1960, SB Architects has prioritised staying true to the site and creating a strong sense of place that resonates with visitors, guests and residents on an emotional level. As it continues strategic expansion and its portfolio reflects even greater geographic diversity, the firm

will leverage its entrepreneurial spirit and architectural craft to thoughtfully connect people to each other and to iconic experiences of a signature place.

SB Architects is an award-winning, international architecture and design practice with offices across the globe. Amazi Hawana Salalah was designed and delivered by the London team. The firm's celebrated portfolio includes the Amara Hotel and Residences, Cyprus; Omni PGA Frisco Resort, Dallas; Dorado Beach, a Ritz-Carlton Reserve, Puerto Rico, and most recently, the Waldorf Astoria Cancun, Mexico.

Welcome to Amazi,

good things...

Hawana Salalah

Oman's Favourite Destination

Salalah is the third largest city in Oman and the capital of Dhofar Province, famed for its natural beauty from the majestic mountains down to the unspoilt coast. Spread along seven kilometres of white sandy beaches besides tropical, turquoise waters, Hawana Salalah is Oman's most popular resort destination for visitors across the region and the world.

Popular all year-round, there is always something to enjoy, from lazy days on the beach to the unique explosion of life that happens every year during the Khareef monsoon season. Hawana Salalah is a world-class holiday destination that continues to grow its offering and delight everyone who visits.

Water is the source of all life

This private oceanfront paradise is spread over one million square metres of land in Hawana Salalah, where white sand meets the indigo Arabian Sea, making it one of the world's most exclusive residential resort communities. This is a place that welcomes you every time you return, to regroup and recharge in your own private villa or chalet, built on, or alongside, the pristine white sandy beach.

Amazi is a destination that creates a lasting sense of wellbeing that remains with you long after your visit, inviting you to return again and again to the source of all good things.
